

Prairie Youth 2027

Ages: All • Length: 12 days • Service Hours: 40
Fundraising Goal: \$3,100 (Transportation Included)
Mar 26, 2027 - Apr 6, 2027

CTBrandon Youth and Killarney New Life Assembly Youth are partnering together for a Mexico Build Trip with LiveDifferent over spring break 2027. Together, we'll spend a little over a week in Mexico working alongside a local family together to see their new home become a reality. All of the money raised goes towards not only getting us down there, but also funding the materials to build the home. Come ready to work hard, meet new people, experience a different culture, and be part of a meaningful time together.

On a Build to Mexico, the opportunity to make a difference meets beautiful Mexican culture in the rural countryside of Baja California. During your time with us, you'll meet new friends and create lasting memories while working with a family to help build them a safe home. On top of that, you'll have the chance to take part in a local excursion while trying some of the best, authentic Mexican cuisine around!

Once we show you around the communities that we work in, we'll introduce you to the family that you will be building alongside. Then, at the end of the week, you'll be able to celebrate together as they enter their new home for the first time.

Over the years, people like you have joined us to help build homes, schools, and clinics in the area nearby.

We're thrilled you're interested in learning more about how you can help make a difference in Mexico. Please read through the following information and feel free to contact us at any time if you have questions about our Builds.

Minimum Fundraising Requirements:

\$3100 - This is the amount each volunteer has been asked to fundraise/contribute to join us on this LiveDifferent Build

There is an initial \$300 due within two weeks of being notified that we have reached the minimum requirement of registrations needed to move forward with the Build. Please note, volunteers may choose to start fundraising anytime after registering with the understanding that all donations are non-refundable. LiveDifferent is a registered charity and issues tax receipts for up to 100% of all donations made over \$20. Please reference our [Donation Policy](#) for more information.
